HQ Beauty Pro Lash Courses

What to expect

Congratulations on deciding on becoming a lash technician. Whether you're learning for fun or for your career you are joining a growing industry in need of quality people that have been trained in the proper application of lash extensions.

There are many elements that can result in a wonderful looking set of lashes compared to a disastrous looking set. HQ Beauty will ensure that each element is explained in theory and demonstrated by example. You will be encouraged to practice what you have been taught and to strive for perfection.

Our personal approach to training makes learning easy. Small groups that encourage cooperation and communication. You will not be rushed through the course and will only move on when you feel comfortable.

Basic Lash Extension Course

Our Basic Lash Extension Course is the foundation of all other lash extension courses. Learning the basics of lash extensions will result in a beautiful set that looks and feels natural, does not fall out prematurely, lasts longer and does not irritate your client's eyes. This course is a must have if you are seriously considering a career as a lash technician. Proper lash application is both an art and a science.

We have extensive training and experience in working with both classic and volume lash extensions. We focus on safety and proper sanitation procedures and pay the utmost attention to health and cleanliness as well as care of lash extensions, and the proper handling of implements and eye the creation of eye shapes.

Our Volume Lash Extension Course is the next level of lash application. It is designed for technicians who are already comfortable doing basic eyelash extensions and would like to gain skills applying volume onto individual natural lashes.

Many Clients prefer Volume Eyelashes because it allows them to go without refills for longer periods of time. Offering Volume Lash Extensions will also help to increase your clientele.

After completion of our Volume Lash Extension Course you will be confident in creating glamorous and dramatic volume eyelash extensions. You will learn multiple styles and effects as well as bottom eyelash application. We will go in depth to cover services for every eye shape, so you will be able to customize results for your clients.
